Food Technology	✓
Forestry	✓
Game Keeping and Estate Skills	✓
Horticulture	✓

## What our bursaries **DO** cover

Individual needs should be calculated after allowances for other available bursaries and loans, savings and potential earnings and family or parental support have been factored in. The maximum amount awarded to any student in any one year is £2,000. If you are unsure, we are only an email away.

Read through the information below to see the costs we do and don't cover, plus the list of courses we're able and unable to cover. Don't hesitate to get in touch with any questions at all we can help with.

## The courses we're **UNABLE** cover

Animal Care	⊗
